PRELIMINARY AMENDMENT

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

In a response to a Final Office Action mailed July 27, 2004, Applicants respectfully requested that the following amendments be made. In an Advisory Action mailed September 1, 2004, the Examiner indicated that the amendments were not entered as they allegedly raised new issues that would require further consideration and search. In a subsequent Advisory Action mailed November 16, 2004, the Examiner reiterates the statements made in his Advisory Action mailed September 1, 2004. Applicants respectfully submit that this Preliminary Amendment accompanies a Request for Continued Examination (RCE). Thus, Applicants respectfully request that the Examiner enter the amendments and further consider the present application and new Claims.

A complete list of the Claims, including marked-up versions of the rewritten, added, and/or cancelled claims is provided below, beginning on page 2. None of the amendments to the Claims is intended to narrow the scope of any of the amended Claims within the meaning of *Festo*¹. The Remarks begin on page 4, and the Conclusion is on page 8.
